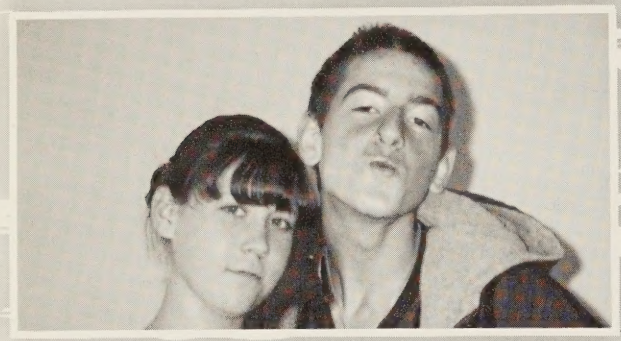
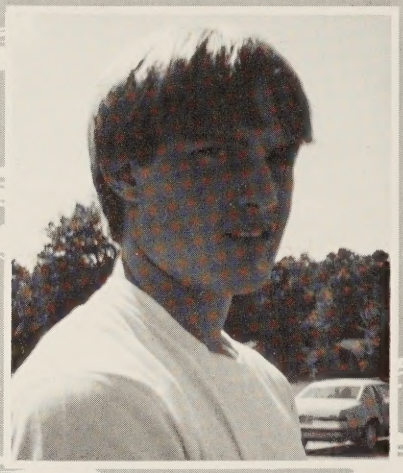
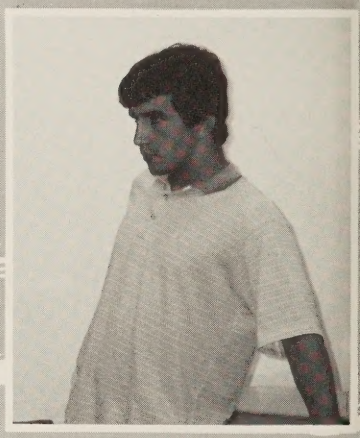
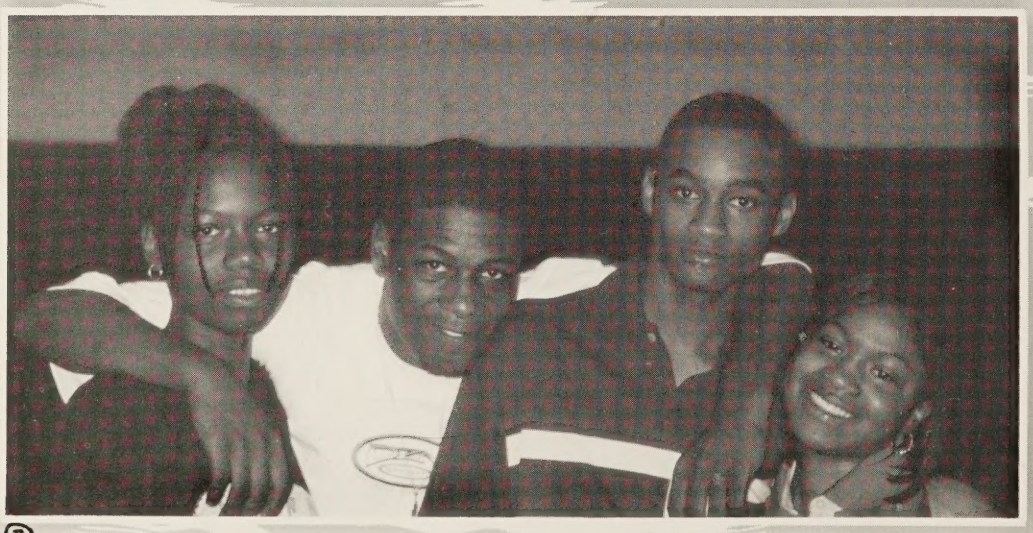
AND THE CROWD GOES WILD!









DARE TO BE different

nineteen ninety nine

Smiles and laughter, that's what you heard and saw a lot of when you walked down the halls of Woodrow Wilson High School this year. Everyone was so excited about "the different view!" Our school had just successfully undergone a new "facelift." Our halls were adorned with new carpets, new lighting, and the walls were freshly painted a 'true blue" color. Finally, all of our classrooms had doors on them. What a great way to start the school year off!

Not only were there lots of smiles and laughter displayed throughout our school, you could see lots of hard work going on.

This year we kept the tradition alive and held our annual Red Cross Blood Drive on October 13, 1998 and 46 pints of blood were donated. Homecoming was a blast!! Though we did lose, we played a killer game against Lake Taylor High School.

Jointly, the S.C.A. and Spanish Club held an extremely successful drive to benefit the Honduras Hurricane victims. Lots of food, clothing, and blankets were collected to send southward to our neighbors.

Operation Santa Claus was another successful venture our student body took on. Approximately twenty children were given a Christmas they may not otherwise have had. Our students bought gifts to make their Christmas a very special one. Santa Claus arrived unexpectedly at the party and smiles radiated throughout the afternoon.

Yes, there was a "different view" at Wilson this year. Not only cosmetically but attitude-wise as well. All the students, faculty, and staff worked cooperatively together to present a positive view of our school.

The Jr./Sr. Prom was held on May 16, 1998. Originally the prom was supposed to be held at Fisherman's Wharf in Norfolk, but was later held at Fisherman's Wharf in Hampton. The prom had an outstanding turn out. It was a little crowded, but still a success. The theme was "A Sea of Love." The after prom party was held at Pinboys of Western Branch where students enjoyed golf, bowling, and fun. Everyone had a great time.

Special Thanks to Mrs. Jarman and the Jr. Class Sponsors.

Special Prom-Goers Strut Their Stuff

PARTY

Friday's dance may have been the shortest "prom" in history, but it didn't lack in fun, excitement or enthusiasm for the special education students and friends of Wilson and Churchland high schools.

About 45 to 50 people showed up for the fourth annual Spring Dance, ready for boogie. Teachers, parents, family members and friends joined the students on the floor at 6:30 p.m. and together they made the tower of Wilson High School until 8:30 p.m.

The dance is like a "prom" for the mildly, moderately and profoundly mentally disabled students and graduates of the two schools.

Most of the students and graduates are friends who get together socially, and it showed. They were comfortable with each other and weren't worried about peer pressure or anyone showing them up in dress or on the dance floor. They danced with each other, with parents and with teachers.

The dance was sponsored by the Portsmouth Silhouettes, and auxiliary organization of the Kappa Alpha Psi fraternity. The women provided decorations, finger food and a deejay for the event. They also presented a special gift for each student.

Trying to find activities that afford the opportunity for social interaction, a sense of community and belonging is often a challenging task for the special populations.

But the dance was a hit with everyone, and the students and parents were appreciative. The students presented the Silhouette with a big, homemade thank you card signed by all of them.

Members of the Kappa Alpha Psi fraternity were also on hand to support their wives. However, the guys didn't dance this time; they just enjoyed socializing with each other and helped out.

Woodrow Wilson's first year field hockey team finished 6th in the district this year. Each player came on to the field with little or no idea of how to play the game, as well as no knowledge of the rules. With this in mind, it encouraged the team to work much harder to improve skill level and knowledge of the game. The 1999 season is anticipated to be a greater year with more victories and more players.

The coach for the 1997-1998 boys soccer team was Coach Galvan. The captains of the boys soccer team were Josh Young, Josh Lashbrook, and Matt Neil. The All District Selections were as follows: Brad Coles, Paul Patterson, Maurice Morgan, Josh Lashbrook, and last but not least, Jeremiah Lawrence. The All-Region Selection (first in the school's history) was Josh Lashbrook. The team's strengths were speed and offensive power. Their only weaknesses were defense and bench support. The Boys Soccer team accomplished many things — All Regular Season District Champs and Reginal birth. We are losing size and leadership, but the offense is almost intact. We should be able to make a repeat this year.

Where do I go?

The Boys Varsity Basketball Team started the 98-99 season in summer camp. The camp consisted of 48 teams in which the Presidents finished third overall. From there the team went on to summer league where they started 3-0 and ended up finishing third again. The team was on the way to a good season.

Our team consisted of six seniors: Mohonda Whitfield, Derek Barnes, Jimmy Key, Mark Allmond, and Anthony Joyner. The team's leading scorer was Mohonda, averaging just over 20 points per game. Derek Barnes led the team in rebounds. With the late entry of Travis Flowers, another senior, he provided four points per game and six rebounds.

The Varsity Boys Basketball team was coached by Terrence Green.

In Loving Memory Of Coach Joseph Ladisic

Coach [illegible] Ladisic, our beloved friend, teacher and coach died in December 1998 after a long battle with colon cancer. He was thirty-seven years old and is survived by his wife, Jeanne. He served as the head baseball coach and assistant football coach here at Wilson High School.

Those who knew our Ladisic spoke volumes to both his right and faith. On January 11, 1999 the Wilson family held a memorial service in our school's auditorium to honor and remember this wonderful man. Parents, co-workers, friends, and administrators told the overflow crowd at the memorial service of his and his wife's love. They spoke of his commitment to his battle and to his health. Foremost was the admiration and respect everyone felt towards her. As a former baseball player, athletic director Paul Cossaboom said "He earned respect, he didn't demand it." Wilson High School declared January 11 as "Joe Ladisic Day" and posters lined the school halls to honor him. Two years ago, the yearbook was dedicated to Coach Ladisic.

In his memory, a pair of Coach Ladisic's baseball jerseys were dedicated and will be hung in our school's hallways. Former Wilson and Norfolk State football coach Tarnell Moore established a scholarship in Ladisic's name for a football and baseball player.

We celebrate Coach Ladisic's life with this yearbook being dedicated to his memory. He was our beloved friend, teacher, and coach and we will miss him dearly.

My Mother. I saw her go through very difficult times and never once gave up. Always leaning on the Lord. — **NELSON LOPEZ**

I don't know any one hero enough to say that I admire him or her. — **ANGELA BELL**

My hero would have to be Helen Keller. The obstacles that she overcame to become the person she was, are much greater than the average person has to endure. Benjamin Franklin — I'm into old dead guys! He proved old people do make a difference. — **GAIL SILVASI**

C. Everett Coop, Helen Keller, Dr. Martin Luther King, Margaret Mead, Thomas Jefferson, Abe Lincoln, Charles Houston, Jesse Owens, Father Damion, Christa McAuliffe, Caesar Chavez, Abdulaleen Shabaz, Faine Escalante — each was a deeply couragous and committed visionary who took a stand and laid it all on the line for what they believed in. Each was profoundly elognent in his or her own way. — **SUSAN BECHTOL**

Environmenta

The Environmental Club was organized this school year. Any student at Wilson High School is eligible to participate. Our goal is to become more aware of our local environmental concerns here in Portsmouth. Also members work to be involved in environmental action and environmental education.

This year members planted marsh shrub to help reinforce the shoreline at Portsmouth City Park. Some took a field trip on the Bay Watcher, the Chesapeake Bay Foundation's education vessel. At that time they learned about the quality of life on our local Elizabeth River. The club planned an educational workshop with SPSA and HRSD to educate science students on waste management. The club researched and organized to paint local storm drains on April 24, 1999 as an Earth week activity. We've had a busy year!

IT'S ALL IN THE FAMILY

"Hurry up for school! If you're late, you're riding the bus!" "Is this my shirt? I just wore that last week." "Have you seen my sister, Mr. Pfeiffer? I need to go home but I can't find her." "Yeah, I do have an older brother who took this class."

From sharing rides and clothes, to sharing teachers and friends, siblings who attended had much in common. Older siblings found themselves adjusting to the idea of seeing their younger sibling everywhere, rather than just at home.

Younger siblings, on the other hand adjusted to being known as someone's little brother; such as Josh Wyatt, Amber's younger brother. However, they soon established their own identity.

Siblings at school experienced many moments which tested both their individuality and their relationship with each other.

SHANNON — THE LITTLE GIRL WE KNOW

You were the first to make us smile with that glowing parent pride
You were the first to get bundled up for that very first car ride

You were the first to go to school, with those kindergarten fears

The clinging shrieks, the new lunch box, those sobbing heart break tears

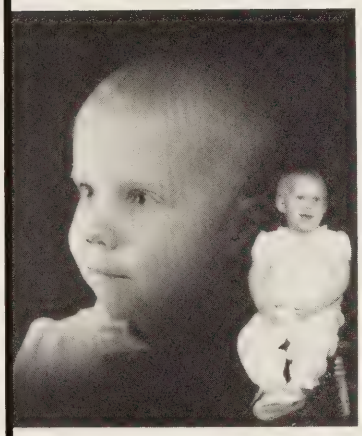
The Christmas plays, the dance recitals, the bikes and then the boys
We cheered you on, we held you up, we gave into the noise

Next came the movies and the malls, the shopping for the clothes,
Our little girl has grown too fast, her childhood nears it's close.

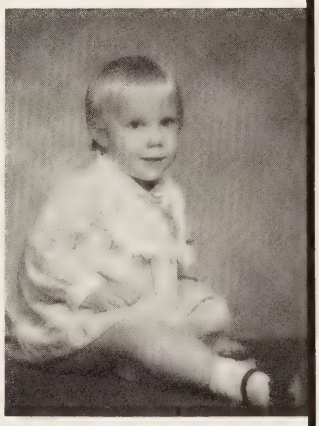
Then came the car, it can't be true, our baby's not that old
Don't go too fast, watch for that curb, keep your eyes on the road

But through it all, you made us proud, your laugh, your smile your love.
Our little girl is a woman now and We thank the lord above.

Love,
Mom & Dad



Congratulations Amber Leigh Wyatt!



It seems like only yesterday that you started elementary school; now, here you are getting ready to go away to college. You have grown into a beautiful, thoughtful and hard-working young woman. We are so very proud of you and all of your many accomplishments. May you always know love, success, and happiness.
Love,
Mom, Josh, Grandma, Betty (and in spirit from above: Grandma Parker, PaPa, and Granddaddy)

Amber Wyatt. Congratulations on all your accomplishments. Your desire for learning, devotion to studies, dedication and drive to achieve your goals will guide you to great success. Your zestful spirit and character bring everlasting joy to our hearts.
